### THE TARGETED SHELTERS THAT I AM ALREADY TALKING TO THEIR PROGRAM DIRECTORS FOR COLLABORATION AND PARTNERSHIP ARE:

- 1) BEDFORD ATLANTIC MEN SHELTER FOR PRISON, to- shelter pipeline program, and house up to 400 men a night with 532 beds.  
[A REFUGE FOR THOSE WITH NOWHERE ELSE TO GO AND THE CROWN HEIGHT RESIDENT WANTS THE CITY TO SHUT DOWN THE SHELTER]
- 2) MANHATTANS 30<sup>TH</sup> STREET MEN'S SHELTER, which houses up to 850 homeless men in New York City.
- 3) ATLANTIC HOUSE MEN'S SHELTER, At No, 2402 Atlantic avenue Brooklyn New York in Brownsville, is a 200- bed shelter that provides temporary emergency housing in a safe, supportive and drug free facility for single men who are dually diagnosed with mental illness.

## THINGS WE PLANNED OF DOING FOR OUR HOMELESS AUDIENCE DURING OUR UPCOMING EVENTS WITH YOUR DONATIONS.

- 1) Cook and feed them HOT MEALS, every Saturday. Because no HOT MEALS in the shelters, I know, I use to work in several.
- 2) Take them to the movies and other drive around town, once in a while, just to get them out of the shelter that sometimes smell bad all day and all night , to clear their head with fresh air.
- 3) Create some kind of educational training program for them.
- 4) Create an initiative of their choice for them.
- 5) Help them with job training and to get a job and monitor them all the way.

We are not going there to try to proselytize to our homeless audience at those shelters, But to help them get a form of self fulfillment and to think on how to get out of There and not only to think but also to figure out of what to do to get out of There and do that thing day after day until their goal of getting out of there is fully achieved.

I am also the author of the book TITLED : **LIFE IS UNEXPLAINABLE, LIFE IS DEEP, SUB TITLED : WAYS TO DEMYSTIFY LIFE** , a life changing, self-help, motivational, inspirational book that will help change the readers mindset, actualize their dreams and help them reach their full potentials in life, its teaches on how to make better decision and to make things work in the readers favor, I have dedicated 50% of the total book sales for charitable / humanitarian services/works, the more books you buy, the more lives you can help save.
